

# Family Service Workers and Home Visitors Needed for Interviews

THE OHIO STATE UNIVERSITY  
CRANE CENTER FOR EARLY CHILDHOOD  
RESEARCH AND POLICY

Our research team is seeking participants to complete an approximately 25-minute survey to understand the frequency in practices Early Head Start (EHS) and Head Start (HS) providers use to connect families with resources and the prevalence of barriers faced in this process. This is phase 2 of a larger project aimed at supporting providers in their work supporting families.

## Eligibility criteria (all must be met to participate):

- Adults working directly with families in OH, IN, IL, MN, MI, or WI
- Serves as an EHS or HS Family Service Worker (FSW; or similar title that performs the same functions as a FSW by connecting families to resources) or a Home Visitor (in cases where they also serve as a family's FSW)
- Has been serving in this role at their current program for at least 1 full year

Participants will receive a \$10 gift card after completing the survey!

If you are interested in participating, please scan the QR code or click on the link below to fill out the survey.
